Dear Mr. Smith;

RE: Recent Inquiry

Thank you for your continued interest in providing the resource, *The Magic of Reality* to the Chilliwack School District. As per my last correspondence, according to local school policy, the Superintendent reviews all requests for the distribution of materials.

Further to my letter dated January 7, 2015, I have reviewed the resource *The Magic of Reality*, which you kindly provided. The resource does not meet some of the local Administrative Regulations the district has that provide guidance in the selection of learning resources. Therefore, this resource is not approved for distribution in the Chilliwack School District.

Kind Regards,
